
CARDINAL FRANCIS XAVIER
Nguyễn Văn Thuận Foundation

"In fact, there are many people who can testify to being edified by meeting the Servant of God François-Xavier Nguyễn Văn Thuận at different points during his life. Experience demonstrates that his fame for holiness spread precisely through the testimony of many people who met him and carry his meek smile and the greatness of his soul in their heart. Many knew him too through his simple and profound writings, which display his priestly soul, profoundly united with him who called him to be a minister of his mercy and his love.

Many people have written recounting graces and signs attributed to the intercession of the Servant of God Cardinal Văn Thuận. We thank the Lord for this venerable brother, son of the East, who concluded his earthly journey in the service of the Successor of Peter…

From my heart I bestow my benediction to you and your loved ones."

Pope Francis
